## Lost and Found Pets

Lost = You have lost your pet  
Found = You have found a pet

**Micro-chipping works – have your pets Micro chipped**  
**Spay & Neuter your pets – helps control roaming and aggression**

If you have lost or have found a pet, the following resources can be very helpful in both situations. Advocate for the voiceless and be a part of the solution.

Texas Animal Society is a 501(c)3 nonprofit Animal Advocacy and Rescue Organization. We do not have a turn-in admission building. If you have found a pet, we thank you for advocating for the life of that pet. All of TAS rescues and adoptable pets are located in foster homes. If you are interested in fostering, please contact [info@texasanimalsociety.com](mailto:info@texasanimalsociety.com)
